Joseph Youren

Your membership makes the following ASLC efforts possible:

- Free special presentations
- Free monthly field trips/bird walks, with binoculars and field guides if needed
- Free semi-annual newsletter (Summer, Winter issues)
- Lending of free Field Guides and Binoculars during bird walks, field trips, and educational events
- Educational birding programs for local and regional school children include free handouts. To date, we have taught over 1,100 students.
- Staff attendance to quarterly state meetings to help co-ordinate legislative efforts in the protection of Oregon's wildlife and habitat
- Maintain phone service for bird and animal hotline connection and information
