Surfrider Foundation

What: A public forum to discuss pressing ocean issues.

Where: Lincoln City Cultural Center (Auditorium)

540 NE Hwy 101, Lincoln City

When: Sunday April 29th (1PM to 3PM)

Panel Discussion

joined by Senator Arnie Roblan and Representative David Gomberg

Public Question & Answer Session

Global climate change is causing the sea level to rise and increase carbon uptake by the ocean. The Trump administration intends to open the Northwest's continental shelf to oil and gas exploration.

Sponsored by:

Coast Range Association

Surfrider Foundation

Economic Development Alliance of Lincoln County
